

UNPARALLELED EXCELLENCE IN POOL FINISHES

RADIANT FUSION SERIES®

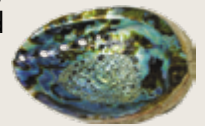

Crystal Blue

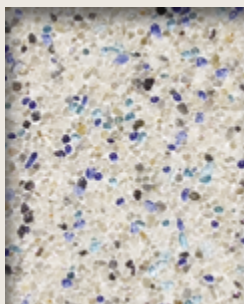

Silver Pearl

This innovative pozzolanic and polymer enhanced pre-blend shows its strength and beauty in a lux and modern way.

We use the smallest-sized micro pebble enhanced with the radiant brilliance of 25% iridescent, multihued, gem-like Jewels for Pools Glass™ crystals and abalone shell.

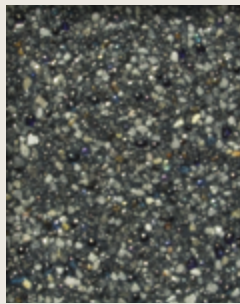

Vibrant water hues and the ultra smooth finish complete the look and feel of this high-performance interior pool finish.

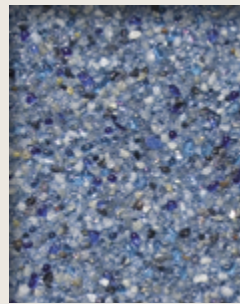

Pearl

Blue Diamond

Midnight

Topaz

Turquoise

Gemstone™ is applied solely by select authorized licensed Gemstone™ applicators.
